

# OPENING SCHOOLS TO STEM CAREERS

*Massive Open Online Course*

**For Heads of Schools and Career Counsellors**

*Starting Monday 25th September 2017*

**SCIENTIX**

The community for science education in Europe

## REGISTER NOW TO THE COURSE HERE!

This new online course aims at informing, training and empowering **Heads of Schools and Career Counsellors** in adapting and equipping schools with tools for introducing students to STEM (Science, Technology, Engineering and Mathematics) careers in classrooms from an early age.

Opening Schools to STEM Careers will start on the **25 September 2017**, and is expected to last for the duration of 8.5 weeks. Participants will be able to finish it in minimum of 4 weeks, maximum 8 weeks. All those who complete the course receive a certificate of participation.

This course is great for Continuous Professional Development (CPD) and is **completely free of charge!** This course is an initiative of Scientix - funded by Horizon 2020 - in collaboration with SYSTEMIC - funded by Erasmus+ - and STEM Alliance, which is privately funded.

**DOWNLOAD THE PROMOTIONAL MATERIAL HERE AND SHARE IT ON SOCIAL MEDIA!**
